INFORMATION DISCLOSURE STATEMENT

Applicant submits the document listed in the attached form PTO-1449, a copy of which is enclosed.

This application is a divisional of and claims the benefit of 09/855,312. The attached reference was submitted by the applicant and initialed by the examiner in a parent application. The reference was also submitted by the applicant on July 30, 2007. However, the examiner did not initial the reference because the document as scanned in PAIR is missing pages. Since the reference was originally filed in paper, it is not apparent whether the error was the Applicant's or the U.S. Patent and Trademark Office's. Per our telephone call with Examiner Frederick John Parker of October 2, 2007, Examiner Parker agreed to consider the reference even though it is after the receipt of a Notice of Allowance.

No fee is believed to be due. Please apply any charges or credits to Deposit Account No. 50-4189, referencing Attorney Docket Number 30020-156002.

Respectfully submitted,
